Mission Statement

The Springfield Area Home Builders Association is a not-for-profit professional trade association representing and promoting its members and its various programs while addressing the interests, needs and professional growth of the building industry and its communities.

Goals

Promote and encourage active involvement of the total membership for the betterment of our communities.

Provide educational programs, services and activities for the membership and our communities.

Promote high standards of professionalism and service within the building industry through the Quality Assurance Standards Program and continuing educational programs.

Support the building industry's effort to enhance the economic growth and quality of life in our communities.

Be a prime source of consumer information on housing and education for our communities.

Promote political involvement and awareness.

The Springfield Area Home Builders Association, established in 1952, is affiliated with the Home Builders Association of Illinois and the National Association of Home Builders.

EXPECTED MEMBER RESPONSIBILITIES

Springfield Area Home Builders Association

As a potential member of the Springfield Home Builders Association, I/we believe in and accept the responsibilities and obligations inherent in providing housing and its related infrastructure. We support the following objectives:

- ◆ Adhere to and promote the Mission Statement, Strategic Plan and Bylaws of the Springfield Area Home Builders Association.
- ◆ Members will conduct all business transactions responsibly and professionally with honesty and candor, making good faith efforts to meet contractual, moral and ethical obligations and commitments regarding their business activities.
- ◆ Each member has the responsibility to keep informed regarding all laws, regulations, public policies, production and manufacturing processes, and other essential information which affects their business interests and those of the housing industry.
- ◆ Members will not intentionally or negligently fail to comply with all federal, state and local laws and building codes relating to health, safety and welfare of the community in building or remodeling homes. In addition, we shall endeavor to maintain quality control at all times during construction.
- ◆ In the best interests of society, of their associates, and of their own business, Members shall be loyal to the Association and shall refrain from engaging in activities which are counter-productive to the work of the association and the interests of the housing industry.
- ◆ Use of Springfield Area Home Builders Association Quality Assurance Builders Standards as our basic guidelines for building quality homes and quality remodeling projects. We realize that we are free to go above and beyond these standards to further enhance the value of the home and project to our customers.
- ◆ No Member shall attempt to damage with malicious intent, either directly or indirectly, the professional reputation, customer prospects, business, or employment of another member of the Association.
- ◆ No Member shall seek an unfair advantage over fellow members.

Potential new members assume these responsibilities freely and solemnly, and are mindful that they are part of the obligations of members of the Springfield Area Home Builders Association.
